

The Potters' win at Potters

HYBRID TEAM WIN LAST END THRILLER WITH A BIT OF MAGIC

Another packed week at Hopton-on-Sea, we saw fun, laughter and plenty of precision bowls (writes Les Gillett, bowls manager).

Amist the heavy weather, we saw some great play by all teams this week, high scores were in abundance.

But it was teams from Oak Hill, Bishops Stortford and three hybrid teams that contested the quarter-final line-up.

One team from Oak Hill got through to the final against a strong hybrid team.

In the final, we saw the hybrid team take the advantage in a tense affair, three shots up going into the seventh end, it was looking like they were home and dry (given the weather outside), but Oak Hill had other ideas, scoring a three to tie things up at six-all going into the last end. It was all Oak Hill until a bowl was turned in to force a measure to decide the title.

With it all being tense, the Potters umpire was called on to decide the shot, and it was the hybrid team that prevailed securing the shot and the match.

Great week by all, a big thankyou to the crowd that made it a brilliant atmosphere.

Winners Team 21: Helen Potter, David Potter, Sue Brown, Colin Teat (main photo)

Runners-up: Julian Shulman, Annika Strandberg, Martin Woodrow, Tom Hobden (pictured below)
